Dean, Faculty of Education

nations viz , Ratan, Bhushan and Prabhakar and a Committee has been appointed to suggest further steps in the matter

In accordance with the recommendation of the University Education Commission, the University had introduced Social Studies and General Science as compulsory subjects for the High School classes with effect from July 1951 in preparation for the High School Examination of 1953 It has now been decided to introduce these subjects at the Intermediate stage also A paper on General Science has been made compulsory for the Intermediate Arts Examination a paper on Social Studies for the Intermediate Science (including Agriculture) and a paper on General Knowledge for the Intermediate Commerce with effect from July 1955 in preparation for the examination of 1957 The books on Social Studies and General Science for the Intermediate standard are under preparation and will be published in Hindi by the University

The term of three years of the former members of the various University bodies having expired, elections to the Syndicate and Academic Council were held and new Deans have been appointed by the Vice-Chancellor for the various Faculties The Faculties and the Board of Studies have been reconstituted The strength of the Board of Studies in Geology and Geography has been raised to its full stature, viz , seven members as provided under section 24 E (3) (a) of the University Act Because of the scarcity of suitable members in the subjects of Urdu, Persian and Arabic only one Board of Studies consisting of five members (including one external) in place of one for *Urdu* and the other for *Arabic* and *Persian* has been instituted for all the three subjects

With a view to help the Government in minimising expenditure on staff, the University has acceded to the request of the Government to treat an M A in History as qualified to teach Civics to the Intermediate classes, provided he had

offered such papers for his M A in History as gave bias to the study of Political Science, i e he had studied Constitutions of England U S A Switzerland, Russia, etc , and India under the Crown with special reference to Constitutional developments Minimum qualifications for demonstrators to supervise practical work in various Science subjects at the college classes have also been laid down

With a view to maintain purity of examinations, the University took the following two important steps in connection with the examinations of 1954 —

1. No one was allowed to work as an invigilator in a room in which candidates from his own school or college were taking their examination Wherever there was only one college and candidates from other colleges were not appearing at that centre, the Arts or Commerce teachers invigilated for Science students and vice versa.

2 Answer books of candidates were not sent to the examiners from the examination centres The Superintendents of Centres were asked to send them to the University office from where they were despatched to the examiners.

With a view to check impersonations at the examinations, ex students and teachers applying to appear at the examinations of the University have been required to affix their photographs on their application forms duly attested by the Forwarding Officers

The rates of remuneration to the invigilators and Centre Superintendents have been raised

The Planning Commission, Government of India, gave a grant of Rs. 22 000/ to the University Department of Economics for conducting investigations regarding the pattern

of employment, and income and housing conditions in Jaipur City Necessary staff for the purpose has been recruited and the work commenced under the guidance of Prof M V. Mathur, Dr D L Gupta, is the Associate Director of the survey. Besides this, the University also has got a grant of Rs 22,000/ under the Youth Welfare Programme for the construction of an Open Air Theatre and a Swimming Pool at Jaipur from the Ministry of Education, Government of India

Another outstanding event of the year was the visit of the Hon ble Mr Justice B K Mukherjee Judge Supreme Court of India in the last week of March last to inaugurate the Constitution of the College Union which was drafted by the students of the College The inaugural address delivered on this occasion by the Hon ble Mr Justice Mukherjee was most inspiring and thought provoking

The students of the College participated in a number of Debates held

in different Universities and they won Trophies at the Elocution Contests held by the University of Delhi and by the Agra College.

9. ANNUAL DINNER AND EXCURSION —In the first week of September, 1953, the College Union arranged the Annual Excursion to Ramgarh This excursion was joined by about 350 students of the College Among the distinguished guests who participated in the function were Shri Jai Narayan Vyas, Chief Minister of Rajasthan, Shri Devi Shanker Tewari, Chairman, Public Service Commission, Rajasthan Shri Tika Ram Paliwal, Dr. Mathura Lal Sharma, the then Vice Chancellor, the Hon'ble Mr Justice Bapna, Shri D M Bhandari, M P, Shri C L Agarwal and a number of other distinguished guests We are proud to record that His Highness the Rajpramukh who was at Ramgarh that evening, was also pleased to grace the occasion with his presence He distributed the prizes of which the most distinguished recipient was Shri J N Vyas, Chief Minister of Rajasthan, who accepted the prize presented to him for the humerous poems recited by him Elaborate arrangements were made for sumptuous dinner which was joined by all the guests, the members of the College staff and the students of the College who participated in the function The activities of the year closed with the Annual Dinner of the College students which was held in the first week of April last The function was presided over by Shri J N. Vyas, Chief Minister of Rajasthan and our Vice Chancellor, Shri G C Chatterjee, also graced the occasion with his presence

We are grateful to Shri J N. Vyas Chief Minister, Rajasthan and Pt Devi Shanker Tewari, Chairman, Public Service Commission, Rajasthan, for the encouragement which they have accorded to the College students and the staff by readily and very gracefully accepting our invitations for participating in the College functions

II GENERAL —LL M Class Part I was opened in this College in September 1951 with 23 students on the rolls The second batch of LL M Part I was admitted in July 1952 and there were 18 students on the rolls The first batch of LL M Part I students appeared at the Special Examination held in December 1952 Out of 11 candidates who appeared at the examination none was declared successful

The next examination of the LL M Part I was held in April 1953 and out of 9 candidates who appeared at the examination only 1 was declared successful

In this connection it is worth mentioning that the LL M Examination is one of the stiffest examination in Law requiring wide studies and proficiency on the part of the students It is therefore not at all surprising that none of the candidates came out successful in the first batch and only two were declared successful in the examination held in April last It is not an uncommon feature of this examination in other Indian Universities also

Under the circumstances the success of two candidates in the LL M Part I Examination held in April last one from this College and the other who appeared as Private candidate being the Head of the Law Department in the Jaswant College Jodhpur is fairly encouraging and it is hoped that the students in this College will now fully realise their responsibilities for hard work and deep study for securing success in the examination

SECTION V

ANNUAL REPORT FROM AFFILIATED COLLEGES.

1. RAJ RISHI COLLEGE, ALWAR.

1 GENERAL —The college continued to impart teaching upto the Degree Standard in Arts Science and Commerce. The teaching of Biology was also started in 1953-54 at the Intermediate stage It functioned in the same old building (the Vinaya Vilas Palace) which is situated in the midst of an extensive garden full of trees, which is however not well looked after now and the trees are gradually vanishing away The old arrangement for Science laboratories, Professor s room, Principal s Office and Clerk s Office remained as it was in the last session excepting that the Laboratory for Biology was opened in circular room situated to the northwest of the main building which had been in the past used as a Geography room The existing accomodation in the laboratories is small and needs extension for growing the number of students The college has somehow managed with limited accomodation at its disposal so far and the Government being now alive to the need of additional accomodation is erecting more rooms

2 CONTROL AND MANAGEMENT —As usual the college was controlled and financed by the Government of Rajasthan on account of its being a Government institution

7. FINANCES —The Government of Rajasthan continued to finance the college and an expenditure of Rs 1,82,388/- was incurred during the last financial year. In addition to this a sum of Rs. 13,528/ was spent from the Students' Fund for which contributions are levied on monthly or annual basis as per scales fixed by the Government. The tuition and other fees continued to be charged on the same scale as last year A sum of about Rs 5000/ was spent by the P.W D on annual and special repairs to the college and hostel buildings.

A good deal of difficulty had been experienced in the matter of supplying water for the Gas Tank and for experiments in the Chemistry Department. Drinking water was also not available near at hand in sufficient quantity for the large number of the students and the staff The Government there fore generously sanctioned an amount of Rs 10,360/ and a motor pump was fitted in a well, a pipe line was laid down upto the college and a tank of 3,000 gallon capacity was constructed and thus the water difficulty was over.

8 GAMES & SPORTS —The number of students having increased considerably, compulsory games were not possible but large number of students took part in games and other athletic activities The extensive play grounds provided facilities for quite a large number to be benefitted by the games & sports. Keen interest thus continued to be devoted to this activity. The organisation of games was put in the hands of Professor, G S Jaiman, who was assisted by Shri S. N. Bhaya, our Physical Instructor. The teams in Hockey, Football, Volleyball and Basket Ball participated in the Zonal Tournaments held at Sikar Sports team took part in the Central Tournaments held at Churu Teams were sent on tour to play match in Hockey, Volleyball, Football, Basket ball and Tennis to Bandikui, Bharatpur and Agra Inter Class Tournaments were organised. On the Independence and Republic days, sports meets were held. An amount of Rs. 5,544/- was spent on games and sports and a sum of Rs. 1,000/- on tournaments One of our student Shri Balbir Singh Badhawar was sent to Trivendrum to play Table Tennis Tournament having been selected to represent Rajputana from the college side. Shri Jogendra Bahadur was sent to Bangalore to represent the University of Rajputana at the Trial Cricket match for selection of Indian Universities Team.

MILITARY TRAINING —No arrangement for National Cadet Corps Training having been made the enthusiasm of the students who had taken very keen interest in the military training started in the college in 1952-53 was damped and we could not make any headway in this direction

Physical training outdoor exercises and mass drill were thought of but there being only one Physical Instructor who is most busy with games and sports not much headway could be made It is hoped that with the coming of the National Cadet Corps Training which is expected to be introduced in 1954-55 things will take a better shape

9 LIBRARY AND READING ROOM —As usual the library was used to a fairly good extent by both staff and the students A sum of Rs 5 510/ was spent on the purchase of new books and binding etc *The number of* new additions was 706 The amount of Rs 5 510/ however does not include the amount raised from the students and spent on subscribing dailies weeklies, monthlies and quarterlies for the reading rooms

10 SCHOLARSHIPS AND STIPENDS —On the basis of the number of students 83 full freeships and 77 half freeships were given to poor and deserving students and 24 merit cum need scholarships were given by the Government on the basis of results and needs of the students 5 stipends called scholarships were given by both the Central and State Governments to the backward and scheduled classes Four and six scholarships of Rs 200 & Rs 150 each were given by the S P W R Fund

11. EXTRA-CURRICULAR ACTIVITIES —Considerable interest was shown to the extra-curricular activities as usual

(*a*) *College Union* —A new constitution of the college having been drawn up on the basis of constitution of the Indian Union the college parliament and assemblies were elected in accordance with the new constitution and a reorientation was made in the shape of Union and its working Its working was supervised by a member of the staff who advised the students in their working

The union week was duly celebrated Under its auspices an One Act Play was staged Music competition, a fancy dress show and Kavi Sammelan etc. were some of the activities organized by the college union

(*b*) *Extension & other lectures* —Interest continued to be devoted to promote the cultural activities in the college Several prominent scholars were invited to address the college Among others who came in were Dr Fateh Singh, who delivered an extension lecture on 'SMRITIYON KA SAMAJ SHASTRA' on behalf of the University and Dr Som Nath Gupta, Prof,

Jaswant College, Jodhpur, was kind enough to address our Hindi Parishad and also to unveil the Photo of Shri Jay Shanker Parsad.

(c) *Associations* :—The History Seminar, the Commerce Association, the Science Association and the Hindi Parishad carried on their usual activities. They organised paper reading, discussions and debates and also essay competitions Annual functions were organised with great interest.

(d) *College Magazine* :—In addition to the college magazine which was duly edited and sent for being printed, the Raj Rishi College Review and English Periodical were brought out from time to time by the students under the guidance of the staff. A Hindi Periodical 'Amar Jyotsana' also sent out a few editions. The Commerce Weekly was improved upon and several useful editions were issued. The cultural interest and enthusiasm of the students was thus well evoked and well maintained.

(e) *Social Activities* :—Several Social functions and meets were organised by the college. The Annual farewell functions were also arranged under the auspices of the college union and other assemblies The labour activities also attracted the attention of the students who planted trees, dug pits and dressed the college surroundings.

12. Hostels :—The two hostels had a strength of 43 students and the life in them was quite active Besides college activities the hostel also took considerable interest in games and sports and cultural activities like debates etc.

13. Discipline :—Discipline in the college continued to be satisfactory.

13. DISCIPLINE.—As a result of the cooperation extended by the members of the staff, students and their guardians the general tone of discipline has improved during the session under review.

14. GENERAL.—The College is grateful to its well wishers including their Highnesses the Maharaja Sahib & Maharani Sahiba of Bharatpur. Her late Highness Maharani Shri Jaya Devi donated a sum of Rs 250/- for presenting Badges to the students of the College. The College is also thankful to Sri Pearey Lal Gupta and his brothers who in memory of their father have made a gift of Rs 800/- and instituted Shri Jai Dayal Memorial Medal to be awarded each year to the students standing first among the candidates appearing at the B A. examination from this College Our thanks are also due to Seth Manohar Lal Gupta of Bharatpur, at present residing in Calcutta, for his donation of Rs. 500/- to be utilised for the cultural activities of this College

The College aims at the development of the habit of scientific study, formation of healthy and stable emotions, and training in the right type of leadership amongst its students through a balanced programme of curricular and co-curricular activities There has been an appreciable amount of willing co operation amongst the members of the staff to this end. The students also have shown due enthusiasm for all that is desirable for the harmonious development of their personality. And if the difficulty with regard to accomodation is solved, the library and laboratories are suitably equipped and reasonable finances for social and cultural work are made available, there is no reason why the students of this college should not be able to foster such traditions as would be helpful to the growth of the New Society of which they are an integral part.

9 GAMES, SPORTS & MEDICAL EXAMINATION OF STUDENTS —The college had one common play ground for both Hockey and Foot ball There are four volley ball courts, two Basket ball courts and two Badminton courts All these courts are running regularly and smoothly because the games have been made compulsory for Intermediate classes students The college has got in its possession one big piece of land measuring 23 bighas but it has no boundary wall or fencing and hence can not be maintained

The students played matches with local teams in Volley—ball, Foot—ball, Badminton and Hockey generally winning them The college could not join University Tournaments as the students of Inter section could not rally sufficient strength The senior most students made a games tour to different places such as Chittorgarh, Neemuch, Mandsour Ratlam Ujjain and Indore There was no medical examination as there was no provision in the budget for this. There was however a physical fitness test.

10. SCHOLARSHIPS, STIPENDS AND CONCESSION IN FEES —The Government of Rajasthan allowed scholarships one to Inter section, three to High School section and one to other agencies, with the approval of the Director of Education, Bikaner 23 students were allowed full exemption from the payment of tuition fees No medals could be awarded

11. EXTRA CURRICULAR AND SOCIAL ACTIVITIES —

(a) The college has one Students' Union which has an Executive and a parliament The executive held about nine meetings The Union was very active. It invited the Education Minister to preside at the opening function and the Director of Education, Bikaner, to preside at the closing function but owing to some urgent piece of work he couldnot attend it

(b) Four one act plays were staged by the Union on suitable occassion which also marked by monologues, dialogues and fancy dress-show.

(c) There was no N. C. C. in the college.

12. HOSTELS.—There is one hostel named Bupal Chhatravas attached to the college under the management of a public body. There are about 25 students in all at present and the building can accommodate 40 students. A new scheme for Boarding House has been submitted to the Director of Education, Bikaner, for necessary action.

13. DISCIPLINE.—Discipline on the whole was quite satisfactory.

14. GENERAL.—The strength of students rose from 483 to 526 but eight of the rooms which measure 16'×20' were found to be insufficient in space for classes with students from 30 to 35 in number. The lady students and the members of the teaching staff had to shift for themselves for want of accommodation. There was no hall and no separate reading room for students.

The strength of the teaching staff was sufficient, but the post of one lecturer in English remained vacant for about nine months.

The College is an infant institution in the third year of its existance and still there is plenty of scope for extension and development.

11 EXTRA CURRICULAR AND SOCIAL ACTIVITIES '—The College Union successfully organised its annual day, lectures, debates and other functions The activities of the year commenced with the inaugural address given by the Hon ble Shri Kailash Nath Katju, Minister for Home Affairs, Government of India on the 7th October, 1953 Shri Hira Lal Dhadha of the M A (Previous) class (Political Science) was the President of the Union which worked under the able direction of Shri S L Audichya, M A, of the Department of Political Science

During the year under review the N C C recorded a steady progress and the movement seems to be now very popular with the students Attendance of the cadets on parades was remarkably satisfactory and the standard of turn out and general bearing of cadets has definitely toned up The corps has now taken upon itself a new responsibility of doing social service work during the holding of the N C C Camps and during normal training period Nearly one hundred cadets of this College, along with 1200 brother cadets from other Colleges of Rajasthan, Delhi, Madhya Bharat, and Ajmer, camped during the last summer vacation for a month in the rural areas of Delhi They did hard mannual work in clearing 32 miles of silted drains They gained in weight and health one and all, for work always does good but the most important benefit was the recognition of dignity of labour by our sophisticated urbanised youth During the annual camp held at Jobner this year, the cadets constructed a fair-weather road five miles long and desilted two tanks Nearer home they have to their credit the building up of a stopbutt, for 'miniature firing on the Maharaja's College grounds The cadets have been as usual prominent at the ceremonial parades on the Independence Day and the Republic Day held at the Raj

asthan Secretariat ground On the latter occasion the girl-cadets of Maharani's College, Jaipur also joined. A very outstanding event of last year was the selection of three cadets from this College for Commission in Armed Forces

Another outstanding achievement during the year was the annexture of two All India Shooting Trophies by our cadets, MoolSingh and Bane Singh in the Earl Roberts Imperial Cadet Trophy Competition

In view of a demand from a large number of students and the people of Jaipur, a rifle club has been opened and quite a number of young men and women have shown great interest in the Club

30. SHARDA SADAN INTERMEDIATE COLLEGE, MUKUNDGARH

1. CONTROL AND MANAGEMENT—This institution was founded in 1915 as a primary school. In 1924 it was raised to the status of a Middle School and in 1944 to a High School. In 1951 it was raised to the status of an Intermediate College in Commerce and Arts. Mukundgarh is rather centrally located and owing to the philanthropic disposition of Seth Shri Bhagirathji Kanoria President of the Trust, it fulfills a great need by imparting cheap education to the sons of farmers and poor landless labourers and others of Shekhawati, who, but for the facilities afforded by this institution, would have gone perhaps uneducated. The college imparts completely free education and other facilities to students from Scheduled Castes and Backward classes and encourages the free mixing together of the so called members of the scheduled castes and Hindus. It is locally managed by a committee with Shri R. K. Ganeriwala as Hony. Secretary.

9 SCHOLARSHIPS STIPENDS AND CONCESSION IN FEES —During the year under report some of the students were granted the following scholarships

1 Merit cum need Scholarship to 26 students Amounting to Rs 4550

2 Scholarship to 13 Scheduled and Backward Class students amounting to Rs 1520/

3 Merit Scholarship to one student at the rate of Rs 12/ per month tenable for two years

4 Scholarship to 3 students from other sources

Up to 10 percent free and half freeships are awarded to the poor and deserving students In the year under review we awarded 120 freeships amounting to Rs 6142 and 120 half freeships amounting to Rs 3071/

10 BUILDINGS —Now with the increase in number of students and introduction of many new additional and optional subjects, our college building is not sufficient We require a few big class rooms which may accommodate 60 students in each as the present class rooms are small in size and the number is also insufficient Besides this the boundary wall of the college and the terracing of the uneven rocky land lying between the main building and the science block remain to be completed

The Hostel buildings were completed last year The sanitary fittings and bath rooms have been completed this year But I regret to say that the residence for Warden and servants quarters are yet to be built

11 LIBRARY AND READING ROOM —Maharana Bhupal College is rather an infant institution of only 8 years' standing, but I make bold to say that our library can compare favourably with most of the Colleges in Rajasthan This year we have added more than 900 Volumes to our library and the total number of volumes in the library now exceeds20,000 During the year under report the Rajasthan Government was kind enough to give us a library grant of Rs 10,000/ which though not sufficient for our purposes is fairly handsome

We subscribe 102 periodicals and journals in our Common Room During the year under review the number of books issued to students for home study has reached the figure of 32,000

12 GAMES, N C C. AND MEDICAL EXAMINATION OF STUDENTS :— Training and education which a young man gets at the play grounds is in certain repects even more necessary than the studies in the class room. That is why at this college we are laying greater emphasis on games.

As usual, we participated in the Rajputana University Tournaments and after defeating all the Colleges of Rajasthan won the University Hockey Shield. We can justly feel proud of our achievement Besides Rajputana Hockey Shield we also participated in several local tournaments and came out with flying colours The Hockey Captain of our eleven Shri Ikram Uddin was awarded the Rajputana University Star for his skill at the game This is a coveted honour which any player can aspire to Shri Ikram Uddin richly deserves this honour. He is every inch a sportsman. Another of our players Shri Arjun Singh was selected by the Rajputana University to represent the University at the Bangalore selections where an All India University Team is being selected to play against the Commonwealth Cricket Team. The usual Inter Class and Inter Faculty Tournaments were held and I am happy to note that students have shown greater keenness this year. This is a happy sign for the future

We provide the following games to our students :-

1 Hockey	2. Football	3 Volleyball
4. Basketball	5 Cricket	6. Tennis
7. Badminton	8 Ping Pong	

N. C C. —I am glad to say that our students cadets are taking more interest in N. C. C This year they held their Annual Camp at Udaipur itself and Shri Satish Chandra, the Deputy Defence Minister and other Military High Officers who inspected the Camp spoke highly to me regarding the fine performance and discipline of our cadets

Medical Examination of Students —As usual our students were medically examined. The number of students examined was 805. Out of these 213 students had certain physical defects Our educational system has become one sided and the average student never feels the need of building his body, with the result that when he goes out of the College he is physically unfit. I am inclined to stress that even at the cost of academic activities, Colleges and Universities must pay greater attention to physical development I suggest that the university should lay down certain physical standard which the students must attain in order to get degree.

13 EXTRA CURRICULAR AND SOCIAL ACTIVITIES —

(a) *Social Service* —I am glad to say that the Samaj Seva Samiti of the College has been very active this year as well Under the leadership of Shri Brij Raj Chauhan, our Lecturer in Sociology, they have changed the shape of the College pavilion During the first term when the academic work was not heavy, 40 members of the College converted a hillock into a platform of 70 yards by 30 yards having a height of seven feet from the ground This work involved cutting and filling earth to the extent of 3,200 cubic feet At times students were seen cutting hard rocks It was a delight to see our young students realising the dignity of labour How much do I wish that every student of this college could perform such service This year our students went out to village Kelva in Raj Samand Project Area and stayed there for 10 days There they helped the construction of the School building involving work to the extent of 2500 cubic feet Shri Bhuvnesh Chandra Gupta of this College is the First student of the Rajputana University who completed the approved Social work prescribed by the University and got this fact mentioned in his Diploma The Samiti also ran a School at Village Paira during the year under review This year the social service wing of the Union also has been a bit more active under the leadership of its enthusiastic Social Secretary They organised Shramdan work on Sunday

(b) *Education Tours* —This year students of Commerce Faculty went to Bombay and students of Geology visited several areas in India of great interest from Geological point of view

(c) *Extension Lectures* —Dr Mathura Lal Sharma Professor and Head of the History Department of University of Rajputana delivered extension lectures for two days which are organised by the University

(d) *Distinguised Visitors* —During the year under report Dr E Asirvatham and Professor C N Vakil visited the College and addressed our students Dr E Asirvatham was specially invited as main guest at the time of the College Annual Function

(e) *Commerce Students Text Book Lending Library* —The students of this area are on the whole poorer than in other parts of Rajasthan and that is why this year we have established a Text Book lending Library which issues books to poor Students in Commerce Faculty The library is doing very useful work and I am sure other faculties will also take a clue and establish such libraries

(i) *Associations* —The College Union Political Science Association, History Association, Hindi Samiti, Bazme Adab, Science Association Natural Science Association and Economics Association were quite active in their respective fields

6 FINANCES —The college is a public institution and is financed partly by the Govt of Rajasthan and partly by the philanthrophists and the members of the institution in the form of donations and subscriptions A reasonable and moderate fee is charged from the students Considering the usefulness and standard of work done here the Govt is granting us nearly 80% of the recurring expenses as grant in aid The total expenditure for the year under report was Rs 73 486/15/11

7 BUILDINGS (ADDITIONS & ALTERATIONS) —The college has got its own building with ample accommodation for the various classes It has well laid gardens and lawns to beautify it and to give it the proper atmosphere necessary for an educational institution Adjacent to the main building is a vast land half of which is under cultivation and on the rest of the space are playgrounds The new college building which stood nearly finished with its new blocks for Physics, Chemistry and Biology were completed and the High School and college classes are shifted there, from this session For the accommodation of some of the lady teachers coming from outside the college has got its own building just in front of the main building This has provided to a great extent convenience and comfort to the teachers concerned

8 LIBRARY AND READING ROOM —The college library and reading room are housed in the college hall and continue to be in the charge of a sen or member of the teaching staff who is assisted by a whole time librarian The library contains more than 5000 books which are well arranged and classified Students are encouraged to read books, newspapers and periodicals which are subscribed The teachers guide the students in selecting useful books In the year under report 810 books were issued only for the High School and Intermediate students The average issue of the library books to each student was 14 4 dailies 8 weeklies and 13 monthlies were subscribed for the reading room The total expenditure on this account was Rs 309/5/

9 GAMES SPORTS & MEDICAL EXAMINATION OF STUDENTS —A lady teacher trained in physical education is in charge of athletics and games Emphasis is laid on the physical training of the students and it is compulsory for all the students The main games practised were Throw Ball Badminton, Tennikoit Table tennis Base ball and many other games There is arrangment for several very interesting indoor games Hockey also was started for the students this year They showed keen interest in it and it has become popular among them

As in the previous years the students organised Inter-class and Local Inter school Tournaments at suitable occasions A team was organised and sent to Jaipur to participate in the University Girls Tournaments Though no trophies were won the discipline and sportsmanship shown by the girls was praiseworthy

All the students are examined medically once a year by a lady Doctor assisted by the teacher in charge of athletics and games A record of such an examination is systematically maintained and proper advice and guidance

is given to the students found to suffer from remediable physical defects and diseases Every month a report about the general health is sent to the parents of the students along with the progress report. We have a qualified nurse and compounder on the staff and there is every facility for first-aid and home nursing The students are given all help for minor illnesses and ailments and the first aid room remains open throughout the working hours

10 SCHOLARSHIPS, STIPENDS, MEDALS AND CONCESSIONS IN FEES — Nearly 25 % of the students get exemption from paying fees or half freeship in case of poverty or financial difficulty Every type of possible help is given to the poor and deserving students Only one student got Government scholarship while there were about a dozen, who got stipends from the Rehabilitation Department of Rajasthan

11. EXTRA CURRICULAR AND SOCIAL ACTIVITIES — (a) *Open Air Session* —In the year under report the open air session was held at Deopura near Jai Samudra lake, a beautiful place 29 miles south of Udaipur and the projects were

I India in the Reign of Akbar

II The Five Year Plan and its Progress

All the aspects of the then social life viz Historical, Cultural, Economic, Literature and Art were studied The students in the various groups collected data and produced essays, charts and models under the guidance of the teacher in charge

Besides the project work, ample social work was done by the students They paid visits to the nearby villages studying the local places and the people their mode of life, customs and traditions. The study of economic and social condition of the people and the place was their main activity Other village social work undertaken during the camp was the following —

(a) *Sanitation* —Students in groups used to go to the villages daily and with the co operation of the villagers they undertook the work of village sanitation Streets and houses were cleaned and all the unhygienic factors were removed from the villages

(b) *Medical aid* —Medical aid which was a dire necessity, was also given to the village people We could help about 150 patients suffering from Malaria, Dysentry, Eyesores, Boils, Ear diseases and skin troubles etc

(c) *Literacy campaign* —Teaching of children was also done during these visits Most of the students came in close contact with the village people whom they could give very good lessons in health and Hygien and domestic affairs After the voluntary work was done by the students for a fortnight, the place and people presented altogether neat appearance. The villagers, pleased with the help rendered to them by the girls, presented a Trophy to the institution

(d) *Students Union* —For the intellectual and cultural development of the students and the fulfilment of the democratic principles and to bring the students in close contact with the wider world, the Students Union worked with the office bearers elected from amongst the students. There is an adviser to the Union, who is nominated by the Principal from the senior members of the staff. Debates, lectures, paper reading, hikes, etc, form the major part of its activity. Discussions on variety of subjects and Lectures by eminent scholars from outside were also arranged. The Union celebrated the following memorable days in a befiting manner.

1 15th August Independence day.

2 Janmasthmi

3 26th January (Republic day).

4 30th January (Gandhi Nidhan Diwas).

5 Basant Panchmi

6 U N. O Day.

7. Closing function of the college.

(e) *Manuscript Magazines* —The Students Union brought out a Manuscript Magazine "The Deepak" which is a half yearly issue while "Sangh Saptahik" is their weekly wall paper These serve as college bulletins and provide facilities to students to acquire the art of expressing themselves and bringing within their easy reach the contributions of experts on various topics

(f) *The Staff Council and Club* —The Staff Association helps the Principal in maintaining discipline and draws up the curriculum and also helps to solve many difficult problems of students and their studies and behaviour. The club also arranges table talks, discussions, debates and lectures on various interesting and useful topics and speeches by eminent scholars from out side

12. DISCIPLINE.—Discipline during the session was very good. Special care was taken to foster and develop good behaviour and discipline among the students There was found excellent co ordination, respect and mutual understanding between the staff and students.

12 HOSTELS —The College has no hostel building of its own and therefore the students were accommodated in rented bungalows On account of an increase in the number of students two new buildings were added *Shri P L Pareek replaced Shri P L Shrimali as a warden* for the period of his absence

13 DISCIPLINE —There was no problem of indiscipline either in the College or in the Hostels during the session under review The conduct of the students was throughout exemplary

14 GENERAL —(a) *Activities of the Members of the Staff*—Dr K L Shrimali who was already a member of the Council of States was appointed this year *Parliamentary Secretary to the Education Minister* He was also appointed by the Central Ministry of Education to serve on the Central Advisory Board of Education, Delhi

All the *members of the staff appeared for an interview* [illegible] Foundation Team of Educationists four foreigners and four [illegible] sored by the Government of India for improvement of [illegible]

year by four students In addition to practice in the administration of individual and group tests of intelligence an experimental study of learning was attempted. A group test of English was administered on 100 B. Ed. students.

(ii) The students of the B Ed. class offering Experimental Education had an opportunity of administering some performance tests of intelligence on about 100 children of Udaipur who took part in a Baby Show organised by the City Corporation.

(iii) Achievement tests for the various school stages were prepared by the students in the subjects of English, History and Mathematics

(iv) The M Ed. students who offered Experimental Education as one of the papers took up the construction of the following tests

a. An intelligence test (verbal) for 11 plus
b. An achievement test in Hindi of class VIII.

(v) One of the M. Ed. students took a comparative study of children's development (physical, mental and emotional) belonging to two socio-economic groups. In all 50 children were tested with the help of tests of intelligence (verbal and non verbal), tests of Physical development and personality (including an adaptation of T A. T) A comptometer was added to the equipment of the Psychological Laboratory to facilitate the students in statistical research.

(c) BASIC EDUCATION —Out of 144 students of the B. Ed class, 50 (including 20 Government Nominees) offered Basic Education. Agriculture including Gardening, Spinning & Weaving as major crafts, and Agriculture, Spinning and Weaving, Carpentry, Leather and Card-board Work, papier Mache, Toymaking and Wood Turning as subsidiary crafts were introduced this year. It was obligatory on the part of the students to offer two crafts out of the two groups

Attempts were made to correlate the study of language, mathematics, social studies and general science with agriculture, spinning and weaving, house building, paper making, papier mache etc. Continuity of activities of the crafts like the agricultural operations and practices were emphasised in day-to day work in practising schools which indicated enough scope for the study of academic problems emerging from such free and joyful activities The students studied in detail the working of the basic schools in their various aspects under the control of the College Intensive training was given in maintaining records of the school children in their academic and

craft activities The students later discussed in a Conference the different forms and methods of record keeping necessary in activity schools. The College is holding two Conferences of workers in Basic Education of the area in April next to discuss the various problems of Basic Education which have emerged during the year under review in all the institutions of Basic Education in the development block of 100 villages around Udaipur. It is further proposed that thereafter some thorough investigation and research in the problems of Basic Education will be taken in hand at this College from the beginning of the next session at the B. Ed, M. Ed. and Ph. D. levels. It is hoped that in this manner sound educational foundation will be laid for the full development and expansion of Basic Education in Rajasthan.

(d) TEACHERS COLLEGE EDUCATION SOCIETY —The following papers were read by the members of the staff under the auspices of the Society :

(i) Basic Education in a Machine Age–By Dr. K. L. Shrimali Principal, Vidya Bhawan Teacher's College, Udaipur
